# Hosted Email with Spam Filtering

## Full-service email for organizations that do not want the hassle or cost of managing their own system

The complexity of owning and managing your own email server has grown to the point that it now makes more sense and is more cost effective for smaller companies to go with a hosted system. This has the added benefit of freeing up IT people for new projects that can grow the business.

With DataLink's *Hosted Email with Spam Filtering*, you can stop worrying about managing your own server and free your IT team from having to stay on top of today's emerging threats – all without sacrificing features or functionality. We handle everything for you.

## Hosted Email with Spam Filtering includes...

- Unlimited storage per user
- Unlimited number of users
- POP3, IMAP, SMTP integration, Outlook sync
- Instant messaging
- Shared contacts, calendars and files
- Integrated spam and virus protection
- Mobile sync to multiple devices
- 99.9% uptime commitment
- Live phone and email customer support

## We Make IT Easy

When handling today's IT challenges is keeping you up at night, DataLink has solutions that help you rest easy – at a cost that makes sense.
